Our Vision. . .

is to partner with Majority World churches, assisting them in growing to maturity and equipping for mission, through the ministry of Christian leaders, pastors and preachers, who sincerely believe, diligently study, faithfully expound, and relevantly apply the Word of God.

Langham Scholars

Providing the best of the best young potential leaders with financial assistance to complete PhDs, and then return to their home countries and/or regions to preach, teach, write and train new generations of evangelical leaders for the Majority World church.

“ *Thanks to the vision of John Stott, and the generosity of New Zealanders, I am able to be here in NZ to complete my PhD in New Testament studies, so that I can more excellently teach about Christ, and translate the Bible and Christian books into local languages in my beloved homeland of Myanmar. Thank you Uncle John!* ”
