Blue Sky Opportunity

An Opportunity Without Limit

Everybody over the age of 18 needs a Will!

For most of us, the largest, most strategic gift we will ever be able to make to advance the Gospel globally, will be in the form of a bequest in our Will.

We invite you to include LeaDev-Langham in your Will and thus make a strategic investment which will pay eternal dividends for the cause of Christ.

LeaDev-Langham uses funds from bequests to support the training of humble, servant leaders of integrity and excellence, as church planters, evangelists, missionaries, translators, pastors, Bible teachers and theologians, and also lay leaders and national opinion shapers in the Majority World.

This is the most strategic long term, cost effective way in which we can help the global church to reach, teach and disciple the world's unreached billions.

LeaDev-Langham's Blue Sky Opportunity allows you to state your preferences for your bequest. You may indicate which ventures or countries you want to benefit. You may state whether you want your gift distributed, or added to the Future Leaders Fund (endowment). In all cases, we will apply your gift to most closely match your preference(s).

Preferred terminology for inclusion in Wills :

A) I GIVE, DEVISE AND BEQUEATH [state the percentage of estate, or sum or money (in words and numbers), or whole of estate, or remainder of estate, or particular asset or asset class] to LeaDev-Langham, at Maranatha Centre, 1 Pollen Street, Grey Lynn, Auckland 1021, or at such other address in NZ, for the purpose of Christian leadership development in the Majority World; PROVIDED HOWEVER that, if at the date of my death LeaDev-Langham has amalgamated with another charitable organisation or organisations encompassing the same charitable purpose this legacy shall take effect as if it had been made to the amalgamated organisation.

B) The receipt of the administrator or treasurer of any organisation to which a bequest is made be a sufficient discharge for my trustees, and they shall not be bound to see to the application of such funds.
