

Highlights 2020

Thank you, friends...

It is such a privilege to witness the impact of your partnership through LeaDev-Langham over the last year. The training of Christian leaders who can communicate and live out the gospel in their own context has been an important aspect of responding to Covid lockdowns. The many dedicated teachers and preachers facilitated through your partnership in the gospel has enabled local work to continue.

Many of you have donated toward humanitarian work associated with our programme partners as they seek to bring relief to communities. The explosion in Beirut that challenged Lebanon as a nation; the radical changes in Myanmar, and the Covid responses to help communities in Pakistan and then the move to online teaching and learning of our programme partners. These local crises have been met with love, care, and provision through your partnership.

It has been a year where our volunteers could not travel but willingly continued to encourage and facilitate from a distance. In the case of our ESOL volunteers, they pivoted toward online delivery from New Zealand. Unfortunately, with the circumstances in Myanmar, the planned delivery did not happen. A new future is developing. The work is not wasted. We do appreciate all the ways you have supported the mission of God's people and particularly LeaDev-Langham programme partners.

"You will be enriched in every way so that you can be generous on every occasion, and through us your generosity will result in thanksgiving to God." 2 CORINTHIANS 9:11

"Do not lay up for yourselves treasures on earth, where moth and rust destroy and where thieves break in and steal, but lay up for yourselves treasures in heaven, where neither moth nor rust destroys and where thieves do not break in and steal. For where your treasure is, there your heart will be also." MATTHEW 6:19-21

We really appreciate your generous support over what has been a difficult year for our programme partners. You have resourced and encouraged many.

It is with pleasure that we share some of the highlights from the last year with you. We are so grateful for the part that you are playing.

“God, we live in a troubled world, especially this last year. In Lebanon, we face trauma after trauma and crisis after crisis.

In the middle of all this hardship, we are experiencing your delivering love and provisions. We are grateful for your Church and the way you are working through it to bring hope and meaning to a hopeless world.

We pray for our local churches that they continue to be the salt and light that you called them to be, that they would continue to **proclaim your love and deliverance in word and deed.”**
